

THE DAMON DAVIS SHOW

PODCAST MEDIA KIT

OVERVIEW

Be part of the movement in helping the world discover how to reach their fullest potential through a thought provoking conversation with Podcaster, Bestselling Author, TV Host, Entrepreneur and Health Coach Damon Davis.

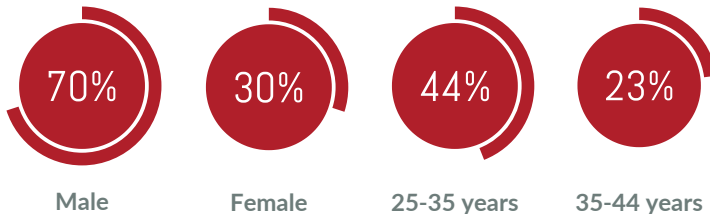

You'll unpack and shape approaches to culture, personal growth, spirituality, relationships, health, and self discovery.

Each episode dives into finding empowerment through scientifically backed insights, practical wisdom and inspiring personal stories of overcoming the unexpected.

Our goal is to create a universal tool for our listeners to challenge beliefs, reframe perspectives, find their unique purpose, take control of their dreams, achieve life-changing goals, and live authentically in every facet of life:

Soul, Body, and Spirit.

ABOUT YOUR HOST

Damon Davis is a pioneer blending health, wellness, and life experience into his many lines of work. As a Health Coach with a passion for music, he integrates arts, entertainment, and humanitarian work with health, wellness, and personal philosophies to advocate for living a purpose-driven life aligned with your destiny: soul, body, and spirit. Davis has carried on the legacy of his father, Ray Davis of Affiliated Media Group, who he worked with until his father's death in 2007. Married for over two decades and a father of five, Damon is passionate about being the inspiration for his next generation.
